NOTES TO SWIMMING POOL CONTRACTOR:

I (we) understand the following requirements:

- All work shall conform to the 2012 International Swimming Pool and Spa Code and all local and State ordinances and codes currently in effect.
- All work performed by helpers or apprentices must be supervised by a contractor licensed or certified by the State of Alabama.
- An Electrical Permit and bonding inspection is required for pool construction.
- A Code-compliant enclosure with a minimum height of 4-feet must be installed around the swimming pool.
- Each phase of work shall be inspected and approved by the jurisdiction having authority.
- Requests for inspections shall be made at least 24-hours prior to the scheduled inspection with **NO EXCEPTIONS.**

I (we) further specifically agree that if any inspection of the premises covered by this permit by the City of Spanish Fort or authorized representative reveals any unsafe, dangerous or deadly condition, whether existing or newly installed, that said City or authorized representative may cause the immediate disconnection of electrical power to the premises by the electric power supplier involved and that the power will not be restored until the City of Spanish Fort or authorized representative advises the power supplier that the premises are again safe and approved for use.

I (we) understand that this permit is not valid for any purpose unless it has been signed by the legally licensed contractor (or their authorized agent) responsible for the above permitted work.
